

# YES DARLING

Luxury Motor Yacht Rental

Saint Martin / Sint Maarten - St Barthelemy - Anguilla

The Italian shipyard Opera 60 stands out for its originality, design and unique comfort, which can accommodate up to 30 Passengers!

Space, privacy, sun, shade, discretion and elegance, which make the assets of the biggest semi-rigid yacht in the world.

Yes Darling is a yacht with exceptional seakeeping and a unique design. The legendary Porsche 917 with its avant-garde shapes, in timeless Gulf blue and orange colors - sponsor of the Porsche 917 during the 24 hours of Le Mans - was an obvious choice for the decoration of the Yes Darling.

Yes Darling has a large deck with many shaded areas thanks to its awning and parasol, as well as a huge sunbathing area at the front. In addition to its large outdoor space, Yes Darling has a very comfortable interior. You can take a nap in the cabin, enjoy the pretty lounge or even appreciate its spacious shower.

Yes Darling is the ideal boat to rent for a day in St Martin/Sint Maarten, St Barts, or Anguilla, while enjoying an exclusive and unforgettable experience at sea.
